2022

AN INTERVIEW With A Partner

Todd Brock | FAIMM Chairman Emeritus

Q: What led you to first get involved with FAIMM?

A: I was the very first investor with FAIMM. I have known the Phillips for more than 20 years in friendship and ministry projects together. From the very start of FAIMM, I felt that the strategy of connecting with laborers in Dubai was very unique, efficient, and ingenious: to reach so many people groups in one place, equip them, & send them knowing they must go back to their homelands to reach their people. It has been amazing to see this original vision go to scale across the home countries of these men and women as FAIMM has gone back with them over the last 14 years.

Q: How has your involvement impacted your family and the world?

A: We have been serving together with FAIMM from the beginning, and my excitement for this ministry continues to grow. There have been so many "God did it" moments. My wife and I have been on the field with FAIMM, and my daughter and son-in-law have been multiple times. It is a life-changing experience. Kevin, Brooke, and team have been so faithful, strategic, and trustworthy every step of the way. It has been a great way for me to leverage my gifts for the mission of Christ.

Q: What would you tell someone considering partnering with FAIMM?

A: In my 30 years of giving to ministries, FAIMM is the one I am most proud that God gave us the opportunity to participate in. It truly is world changing - a movement! With epic results! I would say to anyone considering partnership with FAIMM exactly what I shared with the Board of Directors at our last meeting: "Right now, we have the health, the availability, the open doors, the team, and the resources. We are in position to strike. **So, let's go for it!**"

Todd & Diana Brock have partnered with FAIMM for 14 years and are receiving FAIMM's Lifetime Impact Award for the impact they have made among the unreached.

A STORY FROM THE *Harvest Fields*

No seed sown, no tear shed, no blood spilled is ever wasted in the Kingdom. From the sacrifice of Graham Staines's family to the faithfulness of the FAMM team, a seed planted 20 years ago was brought to fruition in 2022.

Catching global attention, the 2019 movie, "The Least of These: The Graham Staines Story," with actor Stephen Baldwin playing Staines's role, told the remarkable story that changed the trajectory of a state in India 23 years ago.

Graham Staines, an Australian missionary, faithfully served lepers in Odisha, India, for 35 years. His proclamation of the gospel angered Hindu fundamentalists so much that they murdered Staines and his two sons in 1999. At this tragedy, a curtain fell over Odisha. The advance of the gospel was hindered as waves of violent persecution swept across the state. The work of Christians was diminished.

In 2016, thanks to our partners, FAMM was able to begin working in Odisha to reach this dark state. The Lord has done amazing things through our Odisha team over the past five years! Short-term mission teams frequently come alongside our leaders on the field. Every short-term trip is impactful, but last October's trip held a story of redemption no one could have anticipated.

During one house visit, friendly conversation between the short-term team and the family filled the home—until Arun walked in. The room grew heavy as shock covered Arun's face. He locked eyes with a short-term teammate and asked, "Are you Australian?"

Through translation, the teammate replied, "No, I'm American." With a heavy heart, Arun shared that he

hadn't seen a white man since 1999 when he witnessed a mob kill three people. "I was a police officer when Graham Staines and his two sons were killed by a bunch of Hindu radicals. I stood to the side and let it happen." Arun's head hung low as he shared that guilt and shame had filled his heart ever since. "Graham was so kind to me," he confessed. "He shared the Jesus film with me, but I rejected Jesus."

Despite the deep shame he felt, Arun proclaimed, "I know God has brought you to my house today!" Led by the Holy Spirit, the teammate shared the story of Jesus' death on the cross.

Then he looked at Arun and asked, "Do you understand that just as Jesus forgave those people, He will forgive you, too?" Arun threw up his arms and said, "I want that forgiveness!" That day Arun, his wife, and his mother-in-law gave their lives to Jesus. The seed planted 23 years ago in Arun's heart through the witness of a martyr's kindness came to fruition that day.

No seed is ever wasted in the Kingdom of God. Your partnership with FAMM matters, pushing back the Kingdom of darkness in areas desperate for a Savior.

***King-dom move-ment:** "A network of Kingdom Citizens cooperating in a sustained effort of making disciples and establishing churches at an exponential rate to disrupt the kingdom of darkness in a geographic area."*

Now it's time to **expand!**

- Leaders have been inspired, identified, and trained
- Trainings are scheduled for new regions
- Resources are being secured

As we pursue the 10x Vision throughout 2023, we will be initiating new operations in 21 new areas.

A Message From Our *President*

I don't know about you, but it feels like 2022 just flew by.

This past year, I spent significant time in our mission fields meeting with our leaders and praying about where the Lord wants us to expand in 2023. Our teams are excited and ready to press forward! No one knows more than I do what a work of the Spirit FARM is and how Spirit-dependent we all are in doing this ministry.

As you look over this report, I want you to know that YOU are part of it all as a contributing partner. Your giving to FARM is sowing treasures in Heaven. The financial seed sown is producing fruit.

Scripture tells us that in all things, when the work is done, those who sow and those who reap rejoice together! So, let's rejoice together right now! Thank you for sowing. Thank you for praying. Thank you for going. The sacrifices you have made are not in vain.

Let's push forward together in 2023! Thank you for doing your part on the team to expand God's Kingdom among the unreached with FARM.

Your Partner for the Gospel,

Kevin Phillips
